

FEDERAL RESERVE SYSTEM

Proposed Agency Information Collection Activities; Comment Request

AGENCY: Board of Governors of the Federal Reserve System.

SUMMARY: On June 15, 1984, the Office of Management and Budget (OMB) delegated to the Board of Governors of the Federal Reserve System (Board) its approval authority under the Paperwork Reduction Act (PRA), pursuant to 5 CFR 1320.16, to approve of and assign OMB control numbers to collection of information requests and requirements conducted or sponsored by the Board under conditions set forth in 5 CFR 1320 Appendix A.1. Board-approved collections of information are incorporated into the official OMB inventory of currently approved collections of information. Copies of the Paperwork Reduction Act Submission, supporting statements and approved collection of information instruments are placed into OMB's public docket files. The Federal Reserve may not conduct or sponsor, and the respondent is not required to respond to, an information collection that has been extended, revised, or implemented on or after October 1, 1995, unless it displays a currently valid OMB control number.

DATES: Comments must be submitted on or before [INSERT DATE 60 DAYS AFTER DATE OF PUBLICATION IN THE FEDERAL REGISTER].

SUPPLEMENTARY INFORMATION:

Request for comment on information collection proposal

The following information collection, which is being handled under this delegated authority, has received initial Board approval and is hereby published for comment. At the end of the comment period, the proposed information collection, along with an analysis of comments and recommendations received, will be submitted to the Board for final approval under OMB delegated authority. Comments are invited on the following:

- a. Whether the proposed collection of information is necessary for the proper performance of the Federal Reserve's functions; including whether the information has practical utility;
- b. The accuracy of the Federal Reserve's estimate of the burden of the proposed information collection, including the validity of the methodology and assumptions used;
- c. Ways to enhance the quality, utility, and clarity of the information to be collected;
- d. Ways to minimize the burden of information collection on respondents, including through the use of automated collection techniques or other forms of information technology; and
- e. Estimates of capital or start up costs and costs of operation, maintenance, and purchase of services to provide information.

Proposal to approve under OMB delegated authority the extension for three years, with revision, of the following report:

Report title: Domestic Finance Company Report of Consolidated Assets and Liabilities.

Agency form number: FR 2248.

OMB control number: 7100-0005.

Effective Date: January 31, 2014.

Frequency: Monthly, Quarterly, and Semi-annually.

Reporters: Domestic finance companies and mortgage companies.

Estimated annual reporting hours: 750 hours.

Estimated average hours per response: Monthly, 20 minutes; Quarterly, 30 minutes; Semi-annually, 10 minutes.

Number of respondents: 150.

General description of report: This information collection is authorized pursuant the Federal Reserve Act (12 U.S.C. 225(a)). Obligation to respond to this information collection is voluntary. Individual respondent data are confidential under section (b)(4) of the Freedom of Information Act (5 U.S.C. 552).

Abstract: The FR 2248 is collected monthly as of the last calendar day of the month from a stratified sample of finance companies. Each monthly report collects balance sheet data on major categories of consumer and business credit receivables and on major short-term liabilities. For quarter-end months (March, June, September, and December), additional asset and liability items are collected to provide a full balance sheet. A supplemental section collects data on securitized assets. The data are used to construct universe estimates of finance company holdings, which are published in the monthly

statistical releases Finance Companies (G.20) and Consumer Credit (G.19), in the quarterly statistical release Flow of Funds Accounts of the United States (Z.1), and in the *Federal Reserve Bulletin* (Tables 1.51, 1.52, and 1.55).

Current Actions: The Federal Reserve proposes to revise the FR 2248 by: (1) Separating Other Consumer Loans into three data items: Government-guaranteed Student Loans, Private Student Loans, and Other Consumer Loans, (2) combining Non-recourse debt associated with financing and Notes, bonds and debentures into Notes, bonds, debentures and other debt, and (3) increasing the panel size from 70 to 150 finance companies. The proposed changes to the FR 2248 would be effective with the January 31, 2014, report date.

Board of Governors of the Federal Reserve System, November 1, 2013.

Robert deV. Frierson,
Secretary of the Board.
